

APPLICATION FOR PERMITTEE STATUS

So you want to join NABET 700-M UNIFOR! Your first step is to become a Permittee – that is, someone who is working towards becoming a member by providing invaluable support and back-up to the membership during our busiest periods.

There are several steps that you MUST complete before handing in this application:

- Attend **NABETiquette**. This is a half day set etiquette and protocol workshop, generally offered once every 6 weeks. The upcoming course date is listed on the home page of the NABET 700-M UNIFOR website. The cost for the course is \$100 and includes the Permittee Application fee. You can register by calling the office with a credit card number or by visiting the office where we accept cash (must be exact change), credit, debit or cheque. As there are only 50 spots available for the workshop, you **MUST** register and pay in advance to reserve your spot. Drop-ins will only be accepted in replacement of no-shows.

At the end of the course, you will receive two (2) copies of the NABETiquette certificate. You must include one (1) copy of your certificate in your permittee application package. **Applications submitted without the certificate will not be accepted.**

The NABETiquette course is a mandatory requirement for the Permittee application process that everyone, regardless of experience or years already worked in the film industry, must complete. As of July 9, 2017, NABETiquette certificates are only valid for two (2) years from the date the course was completed. Applicants must submit their permittee application within this timeframe, otherwise the certificate will expire and they must re-do the NABETiquette course.

This policy is not applicable to those who have attended a NABETiquette course prior to July 9, 2017.

- You must have a minimum of **40 Days relevant working experience** in film or television in the department you plan on applying for.
- You must attach **one (1) copy** of your resume **in addition** to filling out the relevant past employment page in this application form.
- Every Applicant must complete BOTH the Worker and Supervisor Health & Safety Modules and attach a copy of both certificates (Worker & Supervisor) to your application. The Health and Safety Awareness Training Modules for workers and supervisors are available on the Ministry of Labour website and can be found at the links provided below:

WORKER TRAINING MODULE LINK:

<https://www.labour.gov.on.ca/english/hs/elearn/worker/index.php>

SUPERVISOR TRAINING MODULE:

<https://www.labour.gov.on.ca/english/hs/elearn/supervisor/index.php>

At the end of the module, you will be provided with a digital certificate of completion that you can keep for your records and use to submit with your application.

- Any additional materials or requirements needed for your specific department (please refer to the “Department Qualifications” page in this application package and the “Department Qualifications” page on our website) as well as a copy of any applicable licences (Transport/Hair).

FREQUENTLY ASKED QUESTIONS

1. What happens after I become a Permittee?

Once you've been approved, you'll be able to call in your availability on a weekly basis. When your department has utilized all of its members, our crewing department will begin calling Permittees. Each time that you work on a NABET 700-M UNIFOR production, 7% of your gross pay will be deducted and remitted to the union. This is your permit fee.

When you have acquired a minimum of \$2000 in permit fees in one department, you are eligible for full membership within the Union, providing you meet any other membership/departamental requirements and your work history is reviewed. New members are sworn in quarterly, and until you are sworn in as a member, permit fees will continue to be deducted from your pay.

2. I don't have the required 40 Days experience. How do I obtain that?

Seek out work experience on independent and non-union productions by calling places like the Canadian Film Centre (416-445-1446) or L.I.F.T. (416-588-6444) to see if they have any projects in production looking for help. Keep in mind that in many cases, these opportunities may be unpaid.

3. How much work will I get as a Permittee?

It's difficult to predict how much work you'll get as a Permittee. In general, some departments are busier than others, but overall it's entirely dependent on a number of factors such as how many shows we have in production, what kind of calls we're getting and how many members are already working. Keep in mind that you're a freelancer and steady work is not guaranteed. It's always good to have some back-up income.

4. When is the next NABETiquette Course?

If there is an upcoming date scheduled, it will be listed on the homepage of our website (www.nabet700.com).

5. I have many years of film experience. Do I still have to take the NABETiquette course?

Yes. Everyone must take it as part of the application process.

6. When will I find out if I'm a Permittee or not?

Your application must be reviewed by the Department and/or Vice-President of the department to which you are applying. You will be notified via mail once your application has been approved.

7. Why do I have to fill out the Relevant Past Employment page when I'm also handing in a resume?

The Relevant Past Employment page is meant to be a 40-day snapshot of your relevant work experience, while your resume is a more extensive work history. Please fill this page out in full. DO NOT write "see resume," as this may delay your application process or result in your application being rejected for non-completion.

8. I took the NABETiquette course prior to July 9, 2017 and did not submit a Permittee application yet. Am I still able to apply?

Yes. If you took NABETiquette prior to July 9, 2017, your certificate does not expire.

9. I took NABETiquette after July 9, 2017, applied within the 2 years and my application was rejected. Now that the 2 years have lapsed and I want to reapply, will I need to re-do the NABETiquette course?

No. You will not have to re-do the course so long as you initially applied within the 2 years.
